

First section.
It starts on the first page.

Second section.

It starts on the second page (the next one), as there's no SectionStart defined.

Third section.

It starts on the fourth page instead of the third, as it shall start on an even page.

Fourth section.

It starts on the fifth page (the next one), as it is already an odd page.

Fifth section.

It starts on the seventh page instead of the sixth, as it shall start on an odd page.

Sixth section.

It starts on the eighth page (the next one), as it is already an even page.
